GATEWAY WEST OFFICE PARK

644 Linn Street
Cincinnati, OH

Prominent Location. Exceptional Convenience.

The Gateway West campus is located just west of downtown Cincinnati and can be easily accessed from I-75, U.S. Route 50 and downtown Cincinnati. The site is bound by Gest Street to the east, 7th Street to the north, Linn Street to the west and U.S. Route 50 to the south. Just minutes away from key downtown locations, the campus has multiple access points including Linn Street, 7th Street and Gest Street.

Gateway West offers excellent visibility via U.S. Route 50 and I-75. U.S. Route 50 offers the site the best visibility, with nearly 37,000 cars per day traveling along the southern side of the site. The site also has limited visibility from I-75 north and southbound with a traffic count of 136,010 cars/day along I-75.

In addition to its location and accessibility, Gateway West is one of the few office parks with an abundance of free parking and immediate access to downtown.
